

FIRST
YOU FIND
THE
NORTH
STAR.

Japanese	Mathematics	Science	Social Studies
Kojishi 100	Kojishi 100	Hachibungi 100	Kojishi 100
Sakata 98	Kyakudo 98	Kojishi 98	

NOT THAT
I'LL GO EASY
ON HIM JUST
BECAUSE HE'S
ENTHUSIASTIC.

MAKES SENSE.
HE SEES THIS
AS A HOBBY,
NOT AS
HOMEWORK.

OH
WELL
...

HAHA!
THIS ONE'S
FUNNY
LOOKING!

I DID,
IN ELE-
MENTARY.

EVER
ASK WHY
THE SKY
IS BLUE?

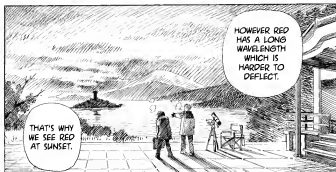

SO I TRIED
REALLY HARD
TO FIND
BOATS WITH MY
TELESCOPE...

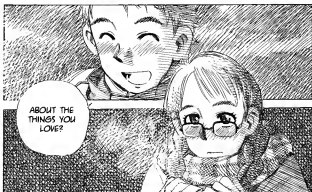

PFT

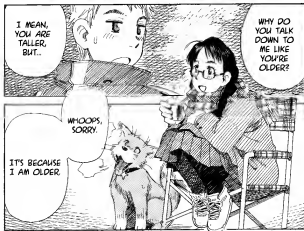

MY TEACHER
TOLD ME IT WAS
A REFLECTION
OF THE OCEAN.

SOO MANY
STARS!

AND I
NEVER
NOTI-
CED!

AND SO
OUR STORY
BEGAN,
CENTERED
AROUND
THE NORTH
STAR...

IF I CAN
WAKE UP
EARLY
TOMOR-
ROW...

G'MON,
ALPHA,
LET'S GO
HOME.

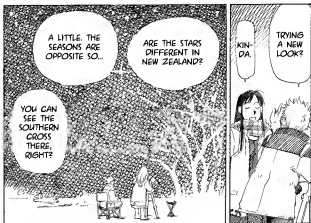

A NEW
UNIFORM,
A NEW
SCHOOL...
IT'LL TAKE
TIME TO
FIT IN.

OF COURSE
NOTHING'S
CHANGED.
IT'S ONLY
BEEN A DAY.

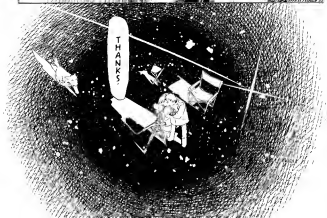

THE
UNIVERSE
IS OURS!
